CONSERVATIVES HAVE GOT SO MUCH MORE TO OFFER

FAREHAM'S ECONOMY

Hundreds of new jobs already created at the Solent Enterprise Zone at Daedalus; we will enable thousands more. We will ensure that Solent Airport becomes self-supporting as flight numbers, already up by 50%, continue to grow

We will pursue the publicly supported visions to enhance both Fareham and Portchester shopping centres

We will continue to support better broadband provision in the areas such as Whiteley and others which still do not have it

FAREHAM'S COMMUNITY

We have built new community centres at Whiteley and Portchester plus the Holly Hill Leisure Centre and Coldeast Play Park

We will upgrade all of our children's playgrounds and continue to support youth services via Y-Services

We will continue to campaign for minor injuries treatment, elderly care and maternity beds at Fareham Community Hospital as well as finding a public transport solution

FAREHAM'S HOUSING

We will enable sufficient new homes for Fareham's housing need and fight government attempts to increase. That is 8,000 by 2036, mainly at Welborne

We will protect as much of our countryside as possible by using brownfield land first and, therefore, need to decide where the new homes go so that is not done by an appeal inspector without infrastructure

We will deliver as much affordable housing as possible including council housing, shared equity housing, discounted and even self-build homes

SUSAN IS ALWAYS 'WILLING TO LISTEN'

John and Sue Wilson, Hollybrook Gardens, Locks Heath: "Susan has been a local councillor for 8 years, is very helpful and conscientious and always has local residents' interests at heart.

"She is keen to ensure the best representation for residents. She is always approachable, willing to listen to problems and will do her best to resolve them."

Anton Minchin, Lambourne Drive, Locks Heath: "Susan Bayford is that rare person in local politics – a person who carefully listens and delivers without fuss.

"Her years of diligent service bear testimony to these attributes and I am pleased to have made her acquaintance."

Mrs May Street, St Simon Close, Locks Heath:

"Susan has continued to work very hard in the ward and for the Borough. She is always polite and helpful and takes her responsibilities very seriously.

"It would be a great loss if she is not re-elected to the Council, so it is my pleasure to endorse her candidature in the forthcoming Local Elections."

Allan Chamberlain, Mayor of Fareham 1975-6: "I am delighted to endorse Susan Bayford to continue as a councillor for my ward.

"She has worked diligently for her constituents – and for the Borough as Mayor – for many years, and deserves the opportunity to continue. Do please give her your support."

DEDICATED TO HER WARD

Susan Bayford was elected to represent Locks Heath Ward in 2010 after working for Fareham's former MP, Mark Hoban.

She has served on several council committees and is currently the chairman of the Scrutiny Board. She was Mayor in 2013/14, is currently the Deputy Mayor and, if re-elected, will again serve as Mayor.

Susan enjoys assisting local residents with their concerns and hopes to be re-elected to continue her work in the ward.

FAREHAM'S TRANSPORT

We have worked with the highways authority and Highways England to bring forward over £500 million of roads investment:

Stubbington Bypass, Newgate Lane North and South, St Margaret's Roundabout, Peel Common Roundabout and A27 dual carriageway from Segensworth to Fareham

Smart Motorway programme to add extra lanes to the M27 and M3 with variable speed limits and major improvements to Junctions 9 and 10

FAREHAM'S FINANCES

We froze the Council Tax for 7 years and have recently increased it by just a penny a day. That is our pledge for the future

We invest in commercial property, mainly in Fareham, which brings benefits in terms of keeping council tax low and preserving excellent services

We only raise 14% of spending from Council Tax, so we are very careful with your money which is why we continue to set almost the lowest district council tax in England while providing some of the best services

FAREHAM'S ENVIRONMENT

We have pledged to ban the use of single-use plastics by the Council as soon as possible

We will work with the police to see zero tolerance of pavement parking which is both anti-social and dangerous

We aim to introduce a recycling scheme for pots, tubs and trays for Fareham residents until it can be provided across Hampshire

Conservatives spend every penny of your money wisely – that's why you pay one of the lowest council taxes in England

Locks Heath Ward is safe in Susan's care

Path cleared

Susan took a stroll with resident Lyndsay Chamberlain along the Locks Heath path after getting the Council to clear it of slippery mud.

Supporting Lockwood trustees

Susan is the Borough Council's representative among 6 trustees for Lockwood Community and Sports Association and regularly attends monthly meetings. She's pictured with (l to r) office manager Beverley Colborne, Geoff Eales, Dee Readhead, Ray Randall and Jeremy Sedgebeer.

Hospital planting

Councillors Susan Bayford and Keith Evans helping out with planting on the roundabout at Fareham Community Hospital. They joined Friends of the Hospital and others who wanted to make a difference by improving the entrance to the hospital.

Backing MP

Susan supports Fareham MP Suella Fernandes' Task Force to try to increase patient services at Fareham Community Hospital.

Litter pick

Keeping the area clean with Sue and John Wilson and Dudley Hopkins.

Hedge cut success

Susan contacted the Council when Alan Palmer, of Laxton Close, told her part of a hedge had been missed during the annual cut-back. Alan is pictured showing how the work has been satisfactorily completed.

Susan chases up selfish parking issues

Sheila and Dave Lester are angry at inconsiderate parking at school drop-off and pick-up times at Coombedale and The Glades. Residents fear emergency vehicles could not get through and are annoyed when their driveways are blocked. Dave is pictured discussing the issue with Susan, who has asked the police to take action.
